## Worldwide Week of Service to Protect Our Planet (April 17-23)

A healthy planet starts with healthy communities. This April, join Lions and Leos around the world for a special Worldwide Week of Service dedicated to protecting our planet and the environment in your community. This international event is a great opportunity to serve and engage your community during the Centennial Service Challenge, which has already impacted the lives of more than 130 million people.

Host a project to protect the environment in your community during April 17-23. Clean up a park or beach, start a recycling program, plant trees or provide clean drinking water to your community. No matter how you choose to serve, be sure to join us for this Centennial service event!
