Civil Society and social movements from across Africa, Asia and Latin America are uniting in their calls against the green economy and to present a new paradigm of sustainable development. This activity will share their declarations made during the Regional Consultations on the Rio+20 Summit held in Africa, Asia and Latin America and their calls for action.

**SPEAKERS**

Africa: Kirubel Tadele (ETC Group, Ethiopia)  
Asia: Jiten Yumnam (Forum for Indigenous Perspectives and Actions, India)  
Latin America: Gertrudes Alvares (MIUCA, Dominican Republic)  
Synthesis: Antonio Tujuan (PCFS Co-Chair)

Saturday, 16 June  
11h30 - 13h30  
Tenda, Plenária 5
